

## Bait available at La Petite Martinière

We have a range of baits available on site which have been very popular since 2012.

Making our own boilies allows us to customise bait to our own specifications only using the best ingredients from C C Moore UK we steam cook and vacuum pack in 1kg bags so supplying you with the best fresh bait we can at cost price.

Please let us know in advance so we can prepare your bait in good time and you have the confidence that it hasn't spent days in a box being transported from the UK to us. 14mm - 20mm

Caviar & Cranberries, Monster Halibut, Purple Haze, Monster Crab  
all €8.50 Per KG

We also offer a small selection of CC Moore baits on site which we buy direct from the UK factory so you can be confident that it's the real thing.

**Live System 15/18mm**

1kg bag - €13.75

## Bait cont'd

In addition to boilie and hookbaits, we can also supply you with pellet and particle. Our pellet is a dedicated carp pellet (low oil) allowing for all year round use which we have since 2008.

The pellet is 10mm and our lake mix contains lots of maize, wheat and barley. We prepare on site and make it fresh so it's waiting for you on arrival.

**Only tiger nuts or nuts of any description supplied buy us permitted**
